- b. Student data that measures growth between two points in time within the current school year shall be used to calculate a teacher's student growth score. The measurements used shall be mutually determined by the teacher and evaluator
- c. The District will make available and support work during PLC time for all teachers on a Focused or Comprehensive evaluation to engage in activities that support work that may be used to satisfy the student growth requirement defined in Criteria 3, 6 and 8.

3. Pre-Observation Communication: Prior to any scheduled formal observation, the teacher will be given the opportunity to review the objectives and goals of his/her lesson with his/her evaluator.

4. Observations:

- a. The total annual observation time must be at least sixty (60) minutes. One observation must be a minimum of thirty (30) minutes with each additional observation being a minimum of fifteen (15) minutes, for the 60 minute minimum with Provisional teachers as an exception noted below.

- e. If there is an area of concern, the evaluator will identify specific concerns in writing within 5 days for the applicable criteria and provide the opportunity to discuss possible solutions. The employee will have five (5) days to respond with conversation, evidence, or artifacts. This five (5) day time will continue until the final observation is complete, using email to notify each other.

5. Post-Observation Communication:

- a. Following each observation or series of observations, the evaluator will:
 - (1) Document and share the results of the observation in writing or by using the applicable web-based evaluation tool. The district will work toward a draft evaluation form that shows real time information from observations.

 - (3) If there is an area of concern, the evaluator will identify specific concerns in writing for the applicable criteria and provide specific observable solutions to remedy the concern.

- b. Each classroom teacher will have the opportunity to submit comments, artifacts or evidence to support his/her performance at any time after the observation(s) before final sign off.

6. Preliminary Summative Communication:

Section G. Focused Evaluation

The Focused evaluation is a growth-oriented, teacher/evaluator collaborative process that requires teachers to be evaluated on one (1) of the eight (8) state criteria. A teacher must complete a Comprehensive evaluation once every six (6) years.

1. Notification: The teacher will be notified by the 15th day of school whether the teacher will be evaluated using the Comprehensive or Focused evaluation process and who will be assigned as the evaluator. Each teacher shall be given a copy of the evaluation criteria, procedures, and any relevant information regarding the web-based evaluation tool used for observation and evaluation purposes.
2. A summative score is determined using the most recent comprehensive summative evaluation score. This score becomes the focused summative evaluation score for any of the subsequent years following the comprehensive summative evaluation in which the certificated classroom teacher is placed on a focused evaluation. Should a teacher provide evidence of exemplary practice on the focused criterion, a level 4 (Distinguished) score may be assigned by the evaluator.
3. Student Growth Goal Setting:
 - a. When the teacher selects Criterion 3, 6, or 8 they must complete the embedded student growth components within their chosen criterion only. When the teacher selects Criterion 1, 2, 4, 5, or 7, they must select the student growth components in either 3 or 6 (SG 3.1, SG 6.1). One observation must be a minimum of thirty (30) minutes with each additional observation being a minimum of fifteen (15) minutes, for the 60 minute minimum with Provisional teachers as an exception noted below. School districts must ensure that all classroom teachers are observed for the purpose of focused evaluation at least twice each year in the performance of their assigned duties. As appropriate, the evaluation of the certificated classroom teacher may include observation of duties that occur outside of the classroom setting.
6. Post-Observation Communication:
 - a. Within Five (5) days following each observation or series of observations, the evaluator will:
 1. Document and share the results of the observation in writing or by using the applicable web-based evaluation tool. The district will work towards a draft evaluation form that shows real time information from observations.

Section H. Support for Basic and Unsatisfactory Employees

1. When a teacher is at risk of being judged Basic or Unsatisfactory additional support shall be provided and must be specific to support his/her professional development in those areas where improvement is needed. This support may come in the following manner, but is not limited to mentors, coaches, visiting other classrooms, attending professional development opportunities, planning documents, literature, etc.
2. The Association will be notified, with teacher consent, when any teacher will potentially be judged basic or unsatisfactory as soon as this determination made.

Section I. Probation

1. No continuing employee may be terminated for evaluation purposes without being placed on probation.
2. At any time after October 15th, a continuing employee, whose work is judged not-satisfactory based on the Marzano instructional framework evaluation criteria shall be notified in writing of the specific areas of concern along with a reasonable program for improvement. For teachers who have been transitioned to the new evaluation system, "not satisfactory" is defined in Section K. paragraph 12 of this Article.
3. A probationary period of sixty school days shall be established for teachers deemed not satisfactory. Days may be added if deemed necessary to complete a program for improvement and evaluate the probationer's performance, as long as the probationary period is concluded before May 15th of the same school year. The probationary period may be extended into the following school year if the probationer has five or more years of teaching experience and has a comprehensive summative evaluation performance rating as of May 15th of less than Basic. The probation period may be extended if a teacher has made progress towards being Basic or Proficient and may be able to achieve a satisfactory rating during the extension period.
4. The establishment of a probationary period does not adversely affect the contract status of an employee within the meaning of RCW 28A.405.300. The purpose of the probationary period is to give the employee opportunity to demonstrate improvements in his or her areas of deficiency. The establishment of the probationary period and the giving of the notice to the employee of deficiency shall be by the school district superintendent and need not be submitted to the board of directors for approval.
5. During the probationary period the evaluator shall meet with the employee at least twice monthly to supervise and make a written evaluation of the progress, if any, made by the employee. The evaluator may authorize one additional certificated employee to evaluate the probationer and to aid the employee in improving his or her areas of deficiency. Should the evaluator not authorize such additional evaluator, the probationer within the first 30 days of probation may request that additional certificated employee evaluator become part of the probationary process and this request must be implemented by including an additional experienced evaluator assigned by the educational service district in which the school district is located. This person shall be selected from a list of evaluation specialists compiled by the educational service district. Such additional certificated employee shall be immune from any civil liability that might otherwise be incurred or imposed with regard to the good faith performance of such evaluation. The Association may elect to bring in an outside professional within the first 30 days, to observe, advise, and assist the teacher while on probation.
6. During the period of probation, the employee may not be transferred from the supervision of the original evaluator. Improvement of performance or probable cause for nonrenewal must occur and be documented by the original evaluator before any consideration of a request for transfer or reassignment as contemplated by either the individual or the school district.
7. If a minor procedural error occurs in the implementation of a program for improvement, the error does not invalidate the probationer's plan for improvement or evaluation activities unless the error materially affects the effectiveness of the plan or the ability to evaluate the probationer's performance.
8. The probationer must be removed from probation if he or she has demonstrated improvement to the satisfaction of the evaluator in those areas specifically detailed in this or her initial notice of deficiency and subsequently detailed in his or her program for improvement. A classroom teacher will be removed from probation if he or she has demonstrated improvement that results in a new comprehensive summative evaluation performance rating of Basic or above for a continuing contract employee with five (5) or fewer years of experience, or of Proficient or above for a continuing contract employee with more than five (5) years of experience.

9. Lack of necessary improvement during the established probationary period, as specifically documented in writing with notification to the probationer constitutes grounds for a finding of probable cause for termination under RCW 28A.405.300 or 28A.405.210
10. Immediately following the completion of a probationary period that does not produce performance changes detailed in the initial notice of deficiencies and program for improvement, the employee may be removed from his or her assignment and placed into an alternative assignment for the remainder of the school year. This reassignment may not displace another employee nor may it adversely affect the probationary employee's compensation or benefits for the remainder of the employee's contract year. If such reassignment is not possible, the district may, at its option, place the employee on paid leave for the balance of the contract term.
11. Not applicable to Provisional Employees: The probation requirements do not apply to Provisional employees. Provisional employees do not have access to probation.
12. The Association will be notified when a member is put on probation.

Section J. State Criteria and Scoring

1. State Evaluation Criteria:

- a. Criterion 1 – Centering instruction on high expectations for student achievement
- b. Criterion 2 – Demonstrating effective teaching practices
- c. Criterion 3 – Recognizing individual student learning needs and developing strategies to address those needs
- d. Criterion 4 – Providing clear and intentional focus on subject matter content and curriculum
- e. Criterion 5 – Fostering and managing a safe, positive learning environment
- f. Criterion 6 – Using multiple data elements to modify instruction and improve student learning
- g. Criterion 7 – Communicating and collaborating with parents and the school community
- h. Criterion 8 – Exhibiting collaborative and collegial practices focused on improving instructional practices and student learning

2. Summative Performance Rating for Comprehensive Evaluation

A classroom teacher shall receive a summative performance rating for each of the eight (8) state evaluation criteria. The overall summative score is determined by totaling the eight (8) criterion-level scores as follows:

Rating	Score
Unsatisfactory (1)	8-14
Basic (2)	15-21
Proficient (3)	22-28
Distinguished (4)	29-32

The final score for each criterion will be based on the preponderance of the evidence in each criterion. The individual criterion ratings from all eight (8) criteria will be used in achieving the overall "Summative Performance Rating" in the chart above.

Section K. Student Growth Impact Rating

Embedded in the instructional framework are five (5) components designated as student growth components. These components are embedded in criteria as SG 3.1, SG 3.2, SG 6.1, SG 6.2, and SG

8.1. Evaluators add up the raw score on these components and the employee is given a score of low, average, or high based on the chart below.

Upon completion of the overall summative scoring process, the evaluator will combine only the student growth rubric scores to assess the classroom teacher’s student growth impact rating. The following scoring band will be used to determine the student growth impact rating.

5 – 12	13 – 17	18 – 20
Low	Average	High

Section L. Impact of Low Student Growth Score

A student growth score of “1” in any of the student growth rubrics (SG3.1, SG3.2, SG6.1, SG6.2, SG8.1) will result in an overall low student growth impact rating. A classroom teacher with a preliminary rating of distinguished and with a low student growth rating will not receive an overall rating of higher than Proficient.

Classroom teachers with a low student growth rating will engage, with their evaluator, in a student growth inquiry.

Section M. Student Growth Inquiry

If a teacher receives a low student growth score they must engage in at least one of four activities:

- Examine student growth data and other evidence based on classroom, school, district, and state-based tools; and/or
- Examine extenuating circumstances which may include: goal setting process/expectations, student attendance, and curriculum/assessment alignment; and/or
- Schedule monthly conferences with the teacher to discuss/revise goals, progress toward meeting goals, and best practices; and/or
- Create and implement a reasonable professional development plan to address student growth areas that triggered this inquiry.

An outline of the District's anticipated financial condition shall be included with said notification.

Section B. Criteria for Modified Program

If the District adopts a modified or reduced educational program because of lack of financial resources, the following guidelines shall be taken into consideration in determining the programs and services to be retained, modified or eliminated.

1. The needs of the students, requirements for graduation, requirements for accreditation, and minimum program requirements under state laws and regulations.
2. Where revenues are categorical and depend upon actual expenditure rather than budgeted amounts, every effort shall be made to maintain such programs, where reasonable, to the limit of the categorical support (i.e., vocational education, federally supported programs).
3. Maintenance of pupil-teacher ratios at levels conducive to good learning climate. The severance of certificated employees shall be minimized to the extent possible.
4. Reduction in expenditures, where reasonable and not categorically funded, in capital outlay, supplies and materials, contractual services and travel in an effort to retain as much of the basic educational program as possible within the resources available.

Section C. Selection of Certificated Employees

1. In adopting a reduced educational program, the certificated employees required to implement the modified or reduced educational program or services shall be selected as provided below:
 - a. Normal Turnover: In an effort to eliminate unnecessary nonrenewable or involuntary termination, every reasonable effort shall be made to ascertain the number of certificated positions which shall be open as a result of (a) retirements; (b) normal resignations; (c) transfers; and (d) leaves of absence.
 - b. Certification: Certificated employees retained to implement the modified or reduced educational program shall possess a valid Washington State certificate/endorsement as may be required.

Acceptance of employment as a certificated employee in any other school district during that year shall constitute an automatic termination of employment.
3. Re-employment: All certificated employees who are not recommended for retention in accordance with these procedures, and who are given notice of non-renewal of contract shall be placed in an employment "pool" for possible re-employment for a period of one (1) year. Employment pool personnel shall be given the first opportunity to fill open positions within their qualifications under the guidelines contained in Section C in this Article. Members of the "pool" shall have first priority for substitute positions for which they are qualified.
4. Notice of Re-employment: When a vacancy occurs for which any person in the employment pool is qualified, notification from the District to such individual shall be made by certified mail or personal contact by the Superintendent or his designee. Such person shall have ten (10) calendar days from the receipt of the letter or from the date of personal contact to accept the position.

ARTICLE VI INSTRUCTION

Section A. Academic Freedom

The Board has final authority and responsibility in connection with the development and adoption of courses of study and lists of instructional materials. The Parties adhere to the principle of the certificated employee's freedom to provide supplemental materials and to think and express ideas and concepts on issues including controversial issues, when such are germane to the District's instructional program, and when related to subject matter in a given grade level. Certificated employees shall use professional judgment in determining the appropriateness of the issues presented, taking into consideration the maturity level of students and with full cognizance that the District schools are not the appropriate forum for religious, political, or other propaganda, or for the militant advocacy of any particular cause or point of view.

Section B. Work Loads and Class Size

The District recognizes the value of low class size and will attempt to keep the class numbers as low as possible.

1. Overload Levels
 - a. Preschool 10 students per session
 - b. Transitional K 20 students per class
 - c. Grades K 24 students per class
 - d. Grades 1-3 27 students per class
 - e. Grades 4-6 29 students per class
 - f. Combination class 1 less than lowest overload level
 - g. Grades 7-8 30 students per class
 - h. Grades 9-12 30 students per class (with up to two (2) classes at 32)
 - h. Secondary PE 35 students per class

Music will be exempt from these overload levels.

Students may be assigned to a classroom based upon a number of variables that may include but not be limited to: the special needs of a student and the experience of the classroom teacher. Every effort should be to balance the number of students.

2. 3. A "**day**" shall mean a district office business day.

Section B. Grievance Principles and Rights

The judgment of the evaluator shall not be grievable, only the process of evaluation.

1. Form: All grievances shall be submitted on a form consistent with Appendix E, which is attached to and made a part of this Agreement. All portions of the form must be completed and it must be signed.
2. Time Bar to Filing and/or Appeal: Any grievant who shall not timely file or pursue a grievance in accordance with these procedures and within the time limit specified, waives the right to pursue such a grievance and shall be barred from pursuing or further appeal of such grievance provided that the time limit may be extended by written mutual agreement.
3. Response Time line Violation: If, after timely filing a grievance, appropriate timely action is not taken by the Administrator required to take action, a grievant may, within the time limit provided, proceed to the next appropriate level.
4. No Reprisal: No person who participates in a grievance procedure shall be subject to reprisal because of any such participation.
5. Discussion and Adjustment of Problems: Nothing in this Agreement shall be construed to prevent any certificated employee from discussing a problem with the administration, or having it adjusted without representation of the Association, provided that no such adjustment shall be contrary to this Agreement.
6. Confidentiality: All matters relating to specific grievances shall be confidential information and shall not be unnecessarily or indiscriminately related, disclosed or divulged by any participant to the grievance. All documents and communications dealing with grievances and their adjustments shall

be filed separately from the grievant's personnel file unless the grievant requests that the final adjustment be placed in his/her file.

7. Release Time: If a certificated employee is required to attend any meeting, hearing, appeal or other proceeding relative to the adjustment of a grievance, the certificated employee shall be released from his/her assignment for the time necessary without loss of pay or other penalty.
8. Cooperation of the Parties: The Parties shall cooperate with each other in the investigation of any grievance, and shall furnish pertinent information as requested for the processing of any grievance.
9. Employee Evaluations: If the subject matter of the grievance is based upon an employee's evaluation report and/or an employee's probation status resulting therefrom, the arbitrator shall limit the evidence, his findings and decision to a determination as to whether or not the administrator or evaluator has followed the adopted evaluation procedure and criteria in reaching his/her conclusion.
10. If the grievance is based upon the evaluator's conclusion, the matter may be appealed by the grievant to the Board of Directors under Article IX, Section C, Paragraph 4. "Alternative Step to Binding Arbitration."

Section C. Rights to Representation

1. Basic Right: A grievant shall have the right to be accompanied by an Association Representative at each and every step of the grievance procedure.
2. Limits on Individual Rights: In the event a grievant elects to file and proceed without Association representation, he/she may do so through the first (1st) two (2) steps of the procedure only, provided that the District shall allow Association representation at every meeting or conference in order to protect its contract rights.
3. Outside Representation Bar: No grievance may be processed with a grievant having representation other than him/her self or the Association.

Section D. Individual Rights

Nothing contained herein shall be construed as limiting the right of any employee having a complaint to discuss the matter through administrative channels and to have the problem adjusted without the intervention of the Association, as long as the Association is notified in writing of the disposition of the matter and such disposition is not inconsistent with the terms of this Agreement.

Section E. Procedures

1. First Step. It is mutually agreed that an employee and his/her immediate supervisor shall make an effort to resolve problems through informal communication.

If the grievance cannot be resolved informally, the grievant shall file the grievance with his/her principal or appropriate supervisor, using Appendix E and shall file a copy with the Superintendent and the President. The grievance must be filed within twenty (20) days following the time when the grievant has knowledge or reasonably could have had knowledge of the basis of the decision on the grievance. The principal or supervisor having authority to render a decision on the grievance shall make his/her decision and communicate it in writing to the grievant, the President and the Superintendent within ten (10) days of receipt of the grievance.
2. Second Step. If the decision reached in the First Step does not satisfactorily resolve the grievance, or if the grievance is not answered within the Time line, the grievant may appeal to the Superintendent within five (5) days. The appeal shall contain a copy of the original grievance and decision at the First Step. Within five (5) days after filing the appeal, the grievant, the principal or supervisor, the Association Representative and Superintendent shall meet to resolve the grievance.

If a satisfactory resolution of the grievance is reached, it shall be reduced to writing and signed by the parties involved. If an agreed resolution is not reached, the Superintendent shall render his/her decision in writing within five (5) days of the last meeting of the participants and deliver it to all persons involved.

3. Third Step. Binding Arbitration: If no satisfactory resolution of the grievance is reached at the Second Step, or if the Superintendent or his/her designee has not provided a written decision within the time limits prescribed in Step Two, the Association may submit the grievance to binding arbitration. The Association shall exercise its right to proceed to arbitration by submitting a "Demand For Arbitration" to the American Arbitration Association (AAA) or to the Federal Mediation and Conciliation Service (FMCS) along with a copy to the Superintendent within ten (10) days after the decision in the Second Step has been received, or within ten (10) days after the decision at the Second Step should have been received according to the time limits prescribed. After such a Demand has been made, the conduct of the proceedings thereafter shall be pursuant to the Voluntary Rules of AAA (full service) or FMCS, provided that the selection of an arbitrator shall be made by the Parties alternately striking names from the AAA panel until one name remains, which person shall be named as arbitrator or by mutually agreeing to an arbitrator from FMCS. Such striking shall be done within ten (10) days of receipt of the panel from AAA. The arbitrator's decision shall be final and binding on both parties. The expense of arbitration shall be borne equally by the Board and the Association.
4. Alternative Step to Binding Arbitration: Board Hearing: As an alternative to submitting the grievance to binding arbitration provided in step three, the grievant may submit his/her grievance for a determination by the Board provided he/she has submitted a written request for a Board hearing within ten (10) days of the decision in Step Two. A request for a Board hearing under this provision shall constitute a waiver of the grievant's right to binding arbitration. Within twenty (20) days after receiving a request for a Board hearing, the Board or a Hearing Examiner appointed by the Board shall hold a hearing and render a decision. The Board's or Hearing Examiner's decision shall not be contrary to the terms of this Agreement.
