meal break of thirty (30) to sixty (60) minutes for every five (5) hours worked, to be scheduled

Compensatory time, if granted, may be accrued; provided, however, that records shall be maintained and there must be a reasonable expectation that the employee will be provided an opportunity to expend the accrued time. Compensatory time in lieu of overtime as provided in this Article shall be accrued at the rate of one and one-half (1½) hours for each hour worked. No employee may work overtime without the prior approval of their supervisor. Any accrued but unused compensatory time remaining at the end of the employee's normal work year shall be cashed out on the final pay warrant of the work year.

Section 7.8.

Classified staff development is important. Classified employees shall not experience a reduction in pay when the school calendar calls for an early dismissal or late start for the purpose of staff training. On these days, classified employees are to remain on the job for their regular number of hours and pay. They are to participate in training unless otherwise excused by their supervisor.

Classified employees shall not experience a reduction in pay during parent-teacher conferences. On these days, classified employees are to remain on the job working and to the extent possible, participate in or otherwise support the parent-teacher conferences.

12 Month	1	=	10 days (10 days x 8 hours x $\%$ = Vacation hours earned)

	3	=	11 days (11 days x 8 hours x $\%$ = Vacation hours earned)
	4	=	12 days (12 days, etc)

	10	=	18 days (18 days, etc)
	11	=	19 days (19 days, etc)

Section 8.2.1.

Scheduling of vacations is for 260-day employees only, and will require approval of the immediate supervisor. Vacations shall be scheduled at the request of the employee, with administrator approval, unless such vacation adversely disrupts the normal activities of the District. Such judgment of the school administration shall not be unreasonably exercised. All requests for vacation must be received by the immediate supervisor at least two (2) weeks in advance if five (5) days or more are intended to be used; if less than five (5) days are intended to be used, such request must be received at least five (5) days in advance unless there is an emergency situation. If the employee has been denied two (2) vacation requests in a row by the immediate supervisor, and believe they have been unreasonably denied, he/she may file a grievance to that effect at Step Two. Any such grievance will be responded to at Step Two within five (5) days of being filed.

Section 8.2.1.1.

It is the intention that all annual vacation days for two hundred sixty (260) day employees shall be used during each work year (September through August 31). If an employee's request for vacation leave is denied by the employer, and the employee is close to the maximum vacation leave (thirty days), the employer must grant an extension for each month that the employer defers the employee's request for vacation leave. The employer must maintain a statement of necessity justifying the extension. Each full time two hundred sixty (260) day employee shall be allowed to accumulate unused vacation days not to exceed thirty (30) days (accumulated and earned). Vacation balances shall be calculated and front loaded at the beginning of the work

year (September 1st). Any unused vacation time (accrued and earned) that exceeds thirty (30) days will be forfeited at the end of the work year (August 31st), except as provided herein.

SICK LEAVE, BEREAVEMENT LEAVE, EMERGENCY LEAVE

Section 9.1. Leave For Illness, Injury And Emergency.

The District shall grant each full-time, twelve (12) month employee, twelve (12) sick leave days annually. Employees who work less than twelve (12) months shall be prorated on the basis of one (1) day sick leave (work day) per month employed. Employees who are scheduled to work in at least nine (9) months shall be credited with no less than ten (10) sick leave days annually. Whenever an employee works eleven (11) or more days in any one calendar month, he/she shall receive sick leave credit for the entire month. Each employee's portion of unused sick leave allowance shall accumulate from year to year to a maximum of one hundred eighty (180) days. The District shall project the number of annual days of sick leave at the beginning of the school year according to the estimated calendar months the employee is to work during that year. The employee shall be entitled to the projected number of days of sick leave at the beginning of the school year. Sick leave benefits shall be paid on an hourly rate basis applicable to the employee's normal daily work shift; provided, however, that should an employee's normal daily work shift increase or decrease subsequent to an accumulation of sick leave days, sick leave benefits will be paid in accordance with his normal work shift at the time the sick leave is taken, and the accumulated benefits will be expended on an hourly rather than a daily basis. Further, in the event of an increase or decrease in an employee's normal daily work shift, the rate of sick leave accumulation will be adjusted accordingly effective with the first day of any increase/decrease in the daily work shift.

Section 9.1.1.

Absence caused by personal illness, injury, doctor/dental/optical appointments, poor health, maternity/paternity, quarantine, or other disability is covered by the Sick Leave provisions. Sick leave can also be used for immediate family (spouse, child or legal dependent under the age of eighteen) illness, injury, or doctor/dental/optical appointments. It is the expectation that employees will schedule routine medical/dental/optical appointments during non-work time. However, when this is not reasonably possible, employees may use accrued sick leave during work time.

Section 9.1.1.1.

Employees that have scheduled doctor, dental and/or optical appointments shall make every reasonable effort to notify their immediate supervisor and "sub-online system" (if applicable) at least 72 hours prior to the scheduled appointment, if possible. A verification of an employee's illness or injury must be certified by a physician's note in the event of an absence of more than five (5) consecutive days, if such verification is requested by the administrator.

Emergency leave shall be granted and deducted from sick leave accumulation with the approval of the superintendent under the following conditions:

- A. The problem must be suddenly precipitated and of such a nature that preplanning is not possible or where preplanning cannot relieve the necessity of the employee's absence;
- B. The problem cannot be one of minor importance or of inconvenience, but must be serious;
- C. Emergency leave shall apply in the case of serious illness in the immediate family to include spouse, child, parent, sister, brother, sibling, grandparent, grandchild, step-parent, parent-in-law, foster child, step-child, step-sister, step-brother. Child means a biological, adopted, foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis. Parent means a biological parent of an employee or an individual who stood in loco parentis to an employee when the employee was a child.
- D. Weddings and Graduations, if personal leave has been used.

Section 9.1.3. Sick Leave Cashout.

A. Annual

Employees are allowed to cash in unused sick leave days above an accumulation of sixty (60) days at a ratio of one (1) full day's monetary compensation for four (4) accumulated sick leave days. At the employee's option, they can elect to cash out their unused sick leave days in January, to be paid in the February payroll of the school year following any year in which a minimum of sixty (60) days of sick leave is accrued and each January thereafter, at a rate equal to one (1) day's monetary compensation of the employee for each four (4) full days of accrued sick leave. The employee's sick leave accumulation shall be reduced four (4) days for each day compensated.

B. Retirement

- At the time of separation from District employment, an eligible employee as defined by RCW 28A.400.210(2) or the employee's estate shall receive remuneration at a rate equal to one (1) day's current monetary compensation of the employee for each four (4) full days accrued sick leave for illness or injury.
- C. No later than June 1 of each year employees will notify the District of their intention to take sick leave cashout. Such notification is not binding, but employees are encouraged to be as candid as possible in order to assist the District in its budget-making process.

The employee may request consideration for the modification of the seniority order based on the information in the District's possession. Employee must include in the request a full statement as to the facts on which the employee contends the list should be modified. If the superintendent rejects the employee's request for modification of the list, the superintendent will do so in writing, and provide the employee and the Union with copies thereof.

Section 10.7.

The employee with the earliest hire date, (adjusted for leave of absence as per Section 9.5.3), shall have preferential rights regarding assignment to new or open jobs or positions, hours of employment not constituting a layoff as defined in Section 10.9 of the Agreement, and layoffs (as hereinafter provided), when ability, performance, and reasonable qualifications are substantially equal with junior employee and/or non-employee applicant. Should this occur, the District must inform the Union President in writing the name and position of the junior employee and the rationale for retaining him or her out of seniority order.

Section 10.9.1.

In the event of a layoff, employees so affected are to be placed on a reemployment list maintained by the District according to general job classification seniority date. ARTICLE XVI

TERM AND SEPARABILITY OF PROVISIONS

Section 16.1.

The term of this Agreement shall be from September 1, 2017 to August 31, 2020.

Section 16.1.1.

Regular employees shall receive twelve (12) paychecks per year. Consistent with payroll processing requirements and capabilities, each employee shall receive a full accounting and itemization of authorized deductions, hours worked, and rates paid for each pay period. The twelve (12) month pay process shall begin with October, 1996 payroll. Changes such as deducts, extra time, etc., shall be made during the month they are reported on the time sheet. Payment shall be by electronic funds transfer, to a bank or financial institution of the

employee's choosing. Exceptions shall be considered on a case by case basis at the Superintendent's discretion. No employee may be required to have an account with a bank or other financial institution and shall not be disciplined for failing to do so.

Section 16.2.

This Agreement may be reopened and modified at any time during its term upon mutual consent of the parties in writing. The agreement shall be reopened, at the option of the Union to consider the impact of any legislation enacted following execution of this Agreement. The District and Union shall meet to conduct a wage comparison study on or about February, 2018, after which, at the option of the Union, Schedule A shall be reopened to address the results of the study.

In the event the District executes an agreement with a bargaining unit of fifty (50) or more members that provides compensation for the retiree subsidy, the District agrees to pay that same benefit to this bargaining unit. In the event the District executes an agreement to pay more than the State-funded amount per FTE or contribute supplemental dollars for insurance benefits with a bargaining unit of fifty (50) or more members, at the option of the Union, the Agreement shall be reopened to the extent necessary to negotiate the payment of such additional compensation to the bargaining unit.

Section 16.3.

If any provision of this Agreement or the application of any such provision is held invalid, the remainder of this Agreement shall not be affected thereby.

Section 16.4.

Neither party shall be compelled to comply to any provision of this Agreement which conflicts with State or Federal statutes or regulations promulgated pursuant thereto.

Section 16.5.

- In the event either of the two (2) previous sections is determined to apply to any provision of this
- Agreement, such provision shall be renegotiated pursuant to Section 16.2., upon request.

For paraeducators that are scheduled in multiple worksites (different classrooms or assigned to playground/lunch room supervision) building administrators will make a reasonable effort to schedule time to attend to district related email, on a daily basis, at the beginning of each school year.

- 1. To ensure employees selecting richer benefit plans pay the higher premium, and make progress toward the 3:1 ratio goal of full-family to employee-only coverage premiums in ESSB 5940, each employee included in the pooling arrangement within the CBA who elects medical benefit coverage shall pay a minimum out-of-pocket charge by monthly payroll deduction. The minimum monthly charge shall be one percent (1%) of their medical plan premium(s), but not dental, vision, LTD and life premiums. Such minimum monthly charge shall be paid regardless of the impact of pooling. For eligible employees selecting the HDHP with a Health Savings Account (HSA), the HSA may be funded out of wages up to the IRS maximum. No district insurance contribution funds or insurance pool funds may be used to fund the HSA.
- 2. The parties shall meet prior to May 1, 2018, to discuss whether to renew or amend this MOU for another year.
- 3. In the event ESSB 5940 is modified or repealed the parties agree to negotiate this MOU.
- 4. Any changes in actual benefits shall be subject to bargaining in accordance with RCW 28A.400.280.

25 26

This Memorandum of Understanding shall become effective September 1, 2017; shall remain in effect until August 31, 2018; and shall be attached to the current collective bargaining agreement.
