20 The Association may use District school buildings and equipment for meetings and to transact official

22 after school hours, provided that this shall not interfere with nor interrupt normal school operations as
23 determined in consultation with the building principal or supervisor.

24 Any officer or authorized representative of the Association identified to the superintendent on behalf of
25 the District, shall have the right to visit District buildings, individual educators, or groups of educators

27 after work hours and at lunch time.

28 **Section 1.14 (B) New Teacher Information and Orientation:**

29 The District shall provide one (1) hour during the New Teacher Orientation on the first day of training for

5 materials used at Board meetings, agendas and minutes of all Board meetings, employees, and such other
6 information as will assist the Association in processing a grievance.

7 At the beginning of each semester, the District shall provide contact information for all bargaining unit
8 members regardless of membership status, including name, job title, department, work location, home and
9 work telephone numbers, home and worksite email addresses, and mailing address when requested by the
10 Association.

11 **Section 1.16 Right of Consultation**

12 The District agrees to advise the Association president of forthcoming decisions regarding new or
13 modified fiscal issues affecting the educational program. The District will consider Association
14 recommendations.

1 **Section 1.17 Payroll Deductions and Representation Fees**

2 A. On or before August 25 of each school year, the Association shall give written notice to the Board
3 of:

4 1. The dollar amount of individual dues and assessments of the Association (including the
5 National Education Association and Washington Education Association) that are to be
6 deducted in the coming year under payroll deduction.

7 2. The name of charitable organization to which persons with religious objections make
8 payment in- lieu of dues contributions. The final determination of approved charitable
9 organizations shall be by mutual agreement between the Board and the Association.

10 3. The total for these deductions shall not be subject to change during the school year.

11 B.

12 1. Deductions authorized above shall be made in twelve (12) equal amounts from each
13 paycheck beginning the pay period in September through the pay period in August of
14 each year. Employees who commence employment after September or terminate
15 employment before June shall have their deductions pro-rated at one-twelfth (1/12) of the
16 total annual amount for each month the employee is employed. The Board agrees to
17 promptly remit directly to the Washington Education Association all monies so deducted,
18 accompanied by a list of employees from whom the deductions have been made. A
19 duplicate list shall be promptly provided the Association as receipt for said transactions.
20 On or before the monthly pay period, the Board shall notify the Association of any
21 changes in said list due to employees entering or leaving the employ of the District.

22 2. The Association agrees to reimburse any employees from whose pay dues and
23 assessments were deducted, in excess of the total amount due the Association at that time,
24 provided the Association or its affiliate actually received the excessive amount.

25 C. Membership Deductions: Within ten (10) days of their commencement of employment,
26 employees who do not currently have deductions for dues and assessments made by the District
27 may sign and deliver to the Board a form to authorize deduction of membership dues and
28 assessments of the Association (including National Education Association and Washington
29 Education Association). Such authorization shall continue in effect from year to year unless a
30 request for revocation is submitted to the Board and the Association, signed by the employee, and
31 received between August 1, and 31, preceding the designated school year for which revocation is
32 to take effect. Each month during the school year, the Association agrees to provide the Board
33 with the names of those employees who have joined the Association and paid its dues and
34 assessments by cash.

1 D. Representation Fee Deductions:

- 2 1. Any employee claiming a bona fide religious objection shall notify the Association and
3 the Board of such objection in writing within ten (10) days of commencement of
4 employment.
- 5 2. In the event that any employee fails to sign and deliver an assignment of wages for
6 authorizing payroll deduction, the Board agrees to deduct from the salary of such
7 employee a representation fee in an amount equal to the membership dues and
8 assessment; provided, however, that employees who have joined the Association and
9 have paid through cash payment, as verified by the monthly Association list, shall not be
10 subject to this deduction.
- 11 3. Representative fees deductions shall be handled and transmitted by the Board in the same
12 fashion as membership deductions.

13 E. Charitable Organization Deductions:

- 14 1. Pending determination, mutually by the Association and the Board, on any bona fide
15 religious objection, the Board agrees to deduct from the salary of the employee claiming
16 such objection an amount equivalent to the Association dues and assessments; provided,
17 however, that said monies shall not be transmitted until such time as the final
18 determination has been made. In the event that it is finally determined that the employee
19 does not have a bona fide religious objection, the Board agrees promptly to remit to the
20 Association all monies being held.
- 21 2. In the event that an employee has been determined to have a bona fide religious objection
22 to the payment of a representation fee, said employee shall pay an amount of money
23 equivalent to regular dues and assessments to a designated charitable organization. The
24 Board agrees to remit to the Association each month a list of employees on behalf of
25 whom charitable deductions have been made.

1 **Section 2 Individual Employee Protection**

2 **Section 2.1 Individual Rights**

3 Nothing contained herein shall be construed to deny or restrict to any employee such rights as he/she may
4 have under applicable laws and regulations.

5 **Section 2.2 Representation**

6 Upon receipt of the notice placing an employee in a probationary status, the employee may request to
7 have an Association representative as a witness present at subsequent conferences. The date for such
8 conferences shall be set by the evaluator and it shall be the employee's responsibility to have a
9 representative on the date set.

10 **Section 2.3 Just Cause**

- 11 A. It is recognized that certificated employees are entitled to the same constitutional rights, as are
12 other citizens.
- 13 B. No employee shall be reprimanded, reduced in rank or compensation, or otherwise disciplined,
14 except for just cause in accordance with the Seven Tests of Just Cause.
- 15 C. Any complaint made against an employee or person, for whom the employee is administratively
16 responsible, by any parent, student or other person will be called to the attention of the employee
17 within five (5) working days of the administrator's knowledge of the complaint providing there is
18 no reasonable basis for a delayed notification (e.g., employee or supervisory absence, necessary
19 pre-investigation, etc.). Any complaint not called to the attention of the employee may not be
20 used as the basis for any disciplinary action against the employee.
- 21 D. In the event a disciplinary action is taken or a discussion is held that may lead to disciplinary
22 action, the employee shall be advised of the right to representation. The specific grounds forming
23 the basis for any disciplinary action will be made available in writing to the employee and the
24 Association.
- 25 E. The employer agrees to follow a policy of progressive discipline which minimally includes:
26 verbal warning, written warning, reprimand, suspension or discharge as final and last resort.
27 When the employer issues a written warning, it must state that the written warning is a step in the
28 disciplinary procedure. Certain infractions, because of their severity would permit the bypass of
29 the initial steps of progressive discipline (e.g., egregious conduct; offenses identified in the
30 RCW's and WAC's as grounds for dismissal or discharge). Any disciplinary action taken against
31 an employee shall be appropriate to the behavior which precipitates said action. Such discipline
32 shall be in private.
- 33 F. The above steps of progressive discipline do not preclude the use of other non-traditional forms
34 of discipline, (e.g., involuntary reassignment to non-classroom or other certificated assignments).

1 **Section 2.4 Academic Freedom**

2 The Association and the Board agree consistent with the basic education act, RCW 28A.150.230-240,
3 employees may exercise academic freedom as follows:

- 4 A. Employees will have latitude in the selection of teaching methodology and strategies provided the
5 methods and strategies enable a student to reach the approved goals and objectives of the course.
- 6 B. Teachers will plan materials, discussions, and procedures, including the use of guest speakers to
7 gain divergent points of view, with thoroughness and objectivity to acquaint students with the
8 need to recognize opposing viewpoints, the importance of facts, the value of judgment and the
9 virtue of respect for conflicting opinions. Teachers will exercise professional judgment in
10 determining the appropriateness of the issue to the curriculum and the maturity of the students.
11 When in doubt regarding appropriateness, the matter should be referred to the principal and/or
12 appropriate district administrator.
- 13 C. Should a community furor develop over the alleged inappropriateness of material or methodology
14 strategies, in relation to the maturity level of the students, the principal may direct the employee
15 to halt the topic until a Board level review of the matter can be conducted.
- 16 D. No mechanical or electronic devices by students or visitors may be used by students or visitors
17 without the permission of the employee. No mechanical or electronic devices shall be used in the
18 classroom by a supervisor without the knowledge of the employee, and without at least two (2)
19 days prior notice to the employee.

20 **Section 2.5 Personnel Files**

- 21 A. Employees shall have the right to review by prior appointment all materials in their personnel file.
22 The superintendent, or his/her designee, shall be present during this review. Employees shall have
23 the opportunity to review all materials before they are made a permanent part of their personnel
24 file. An employee shall have the right to answer and/or refute in writing any materials that may be
25 judged by him/her to be derogatory to his/her conduct, service, character or personality. The
26 written response shall be made part of the employee's personnel file.
- 27 B. Derogatory material that is not part of the evaluations of an employee shall be kept in a separate
28 file and maintained in accordance with state retention requirements.
- 29 C. Citizens' written complaints against an employee that are found by the administration after
30 careful investigation to be unsubstantiated shall not be included in the personnel files.
31 Substantiated citizens' complaints that may adversely affect the employee's employment status
32 may be included in the employee's personnel file after the employee has been informed of the
33 complaints. Grievances and materials and/or evidence on the grievance shall be kept in a separate
34 file, also available for review.

35

1 **Section 2.6 Employee Protection**

- 2 A. The District will represent an employee in any civil proceeding arising from actions or omissions
3 of the employee while acting within the scope of employment.
- 4 B. Any case of assault upon an employee shall be promptly reported to the appropriate law
5 enforcement agency and the District. The District will fully investigate the assault and take
6 appropriate disciplinary action within its statutory power. The District will support the employee
7 regarding procedures for pressing criminal and civil damages. If the employee suffers injuries
8 related to the assault that result in loss of time benefits under worker's compensation, the District
9 will supplement worker's compensation benefits (Assuming employee is not able to perform light
10 duty) to the extent necessary to offset the difference between net benefits and net take-home pay
11 for up to thirty (30) calendar days.
- 12 C. The District will provide its staff with insurance protection while they are engaged in the
13 maintenance of order and discipline and in the protection of students, other staff and property.
14 Such insurance protection will include liability insurance covering injury to persons and property
15 and insurance protecting staff from loss or damage of their personal property incurred while so
16 engaged. Employees may access this insurance by completing the form provided in Appendix O.

17 **Section 2.7 Individual Employee Contract**

- 18 A. The District shall provide each employee a contract with all assignments indicated therein and in
19 conformity with Washington State Law, State Board of Education regulations and this
20 Agreement.
- 21 B. Copies of the Contract: Two (2) copies of the individual employee contract shall be signed by the
22 employee and the district. One copy will be returned to the employee and one copy will remain
23 on file.
- 24 C. Release from Contract: An employee under contract may request to be released from the
25 obligations of the contract upon request consistent with statutory provisions under the following
26 conditions:
- 27 1. A letter of resignation must be submitted to the superintendent's office.
- 28 2. A release from contract, prior to June 1, shall be granted provided a letter of resignation
29 is submitted prior to that date.
- 30 3. A release from contract shall be granted after June 1, provided a satisfactory replacement
31 can be obtained.
- 32 4. A release from contract shall be granted upon employee request in case of illness or other
33 personal matters that make it impossible for the employee to continue in the District.
- 34 D. Any extensions of contracted days by the District shall be computed on 1/180 (This denominator
35 is equal to the number of actual days funded by the state) full per diem of the employee's
36 contracted rate of pay.

37

1 **Section 2.8 Safety Procedures / Working Conditions**

- 2 A. The employer shall endeavor to provide and maintain a safe and healthy place of employment.
3 All employees shall endeavor, in the course of performing the duties associated with their
4 employment, to be alert to unsafe or unhealthy practices, equipment, or conditions, and to report
5 any such practices, equipment, or conditions to their immediate supervisor.
- 6 B. The Association shall appoint a representative, to be paid at their per diem IF outside the work
7 day, to serve on the District Safety Committee. Procedures for reporting:
- 8 1. The employee will complete a form (Appendix G) outlining the nature of the problem
9 and possible solution sought.
- 10 2. Receipt of the form will be acknowledged by the building principal and the District
11 within ten (10) working days with a copy sent to the employee. Acknowledgment will
12 include solutions and possible timelines for solving the problem.

13 **Section 2.8.1 Harassment Free / Working Conditions**

- 14 A. Employees are to work in an environment free from harassment. No employee will be harassed
15 due to any grievance processing, professional negotiations activity, or representing themselves
16 and members in both formal and informal hearings.
- 17 B. If employees believe they have been treated in an uncivil manner by an adult member of the
18 community, another employee, or a student of the Washougal School District, they should take
19 the following steps:
- 20 1. Step 1. Within two (2) days of the incident, speak directly and respectfully with the
21 individual, in an appropriate time, place and manner, seeking to resume communications
22 on a civil basis. If the individual is a student, the employee may also speak with the
23 student's parent.
- 24 2. Step 2. At any time after Step 1 has been attempted, if civil discussion cannot be
25 resumed, the employee should ask a co-worker or supervisor to facilitate a conversation
26 with the individual perceived to have been uncivil. Such a facilitated conversation should
27 focus on the expectation of civility and requirements for achieving civil exchanges in the
28 future.
- 29 3. Step3. At any time after Step 2 has been attempted, if it is determined that civil
30 communications and appropriate problem-solving cannot be restored between/among the
31 individuals affected, the employee's supervisor should help the employee to establish
32 requirements for further communications (i.e., the presence of a specified third person,
33 restrictions on physical access to the employee's work space) in order to protect the
34 employee's rights. The supervisor may also suggest such additional resources as
35 mentoring, specific training, and/or written materials that address the employee's needs.
- 36 C. Employees will use the form found in Appendix N to report uncivil treatment to their supervisor
37 or other district administrator.
- 38 D. Educators will be compensated for First Aid Training at the per diem rate IF outside the work
39 day. The District shall pay for the class fee and associated costs related to certification.

40 **Section 2.9 Substitute Teachers**

41 The following provisions of the negotiated agreement will apply to non-contracted substitute teachers:
42 Sections 1.1 - 1.16, 2.1, 2.3 - 2.6, 2.8, 2.9, 3.8B, 3.8C, 3.17, 4.4, and Section 8.

1 **Section 3 Working Conditions**

2 The District will try to place each certificated staff member into an assignment of his/her preference
3 whenever this can be done consistently with providing a high quality instructional program for students of
4 the community.

5 The District will provide each classroom teacher with a reasonable work area within the classroom to
6 include desk, cabinet, technology, supplies and phone access. Teachers, particularly itinerant staff, may
7 be required to share such work areas and equipment depending on building limitations. A desk for
8 itinerant staff will be provided at each site, subject to building limitations, and will include secure storage
9 and phone access. Itinerant staff without a district-provided laptop will also have access to a computer.

10 **Section 3.1 Assignments**

11 A. Assignment to Multiple Schools: The District will schedule the employee who is assigned to
12 more than one school so that he/she will not be required to engage in an unreasonable amount of
13 inter-school travel that accounts for hazardous/difficult driving conditions. If conditions require,
14 additional paid time will be awarded to the employee to allow for a safe drive between
15 assignments.

16 B. Notification of Assignment: Employees will normally be notified of a change in assignment by
17 the last day of school unless a change is caused by actual student enrollment/staff changes, in
18 which case notice will occur as quickly as the situation arises. Notification shall be in writing. If
19 the assignment is different from the previous year the employee may, upon written request, meet
20 with the principal or his/her designee to review the assignment.

21 C. Job Share: See job share language (Section 3.4)

22 Itinerant employees who are required to use personal transportation to travel between duty sites during the
23 duty day and classroom teachers assigned to multiple buildings (excluding home-to-work and work-to-
24 home) may track and submit documentation for mileage reimbursement at the current IRS mileage rate.
25 Such requests should be submitted on a monthly or quarterly basis consistent with the District-approved
26 reimbursement procedures.

27 **Section 3.2 Reassignment and Transfer**

28 A. Definitions:

- 29 1. Transfer is a change of assignment to a different school/building.
30 2. Reassignment is a change of assignment within the building
31 3. Voluntary reassignment or transfer is initiated by a teacher who is looking to move to a
32 different assignment within his/her building or another building.
33 4. Involuntary transfer or reassignment is one that is initiated by the District.
34 5. Seniority is FTE years of Washougal experience.

35 B. Procedural Overview in Reassignment and Transfer:

- 36 1. When an opening exists it will be posted for five (5) working days. If not filled in-
37 building, in-district applicants will be considered. If not filled in-district outside
38 applicants may be considered. Employees will notify their principal or supervisor of their
39 intent to be voluntarily reassigned or transferred by completing a Request for Transfer or
40 Additional Assignment form.

- 1 2. Reassignment Form: The employee shall complete a request form that shall be kept on
2 file in the district office. The request for transfer or additional assignment will be
3 submitted through the district reassignment system or procedure.

4 C. Voluntary Reassignment

- 5 1. The District will create an in-building posting when an opening exists in a building or
6 program and ask for volunteers to be reassigned.
- 7 2. The posting will be posted in-building for five (5) working days, and sent to all staff via
8 email. As an exception, during the period from the end of the school year through the
9 first two (2) weeks of the new school year, the posting will be for three (3) days. If at any
10 time, the most senior in-building employee is qualified and interested in the posting, the
11 position may be offered to the employee. Any new posting may be immediately issued
12 whether or not the three (3) day period has expired. The same provision applies to any
13 subsequent vacancies.
- 14 3. An interested qualified employee will notify the administration of his/her intent to be
15 reassigned.
- 16 4. If there are two or more qualified in-building applicants for the opening, the most senior
17 will be given the position.
- 18 5. Qualified in-district candidates not selected for the position will receive a letter of by-
19 pass. The reason(s) given in the by-pass letter must conform to the qualifications based
20 in the job posting.
- 21 6. Qualifications will be determined by the criteria stated in the job posting.

22 D. Voluntary Transfer

- 23 1. Open positions may be posted in each building and at the district office.
- 24 2. Positions will be posted for five (5) working days before being filled. The posting will be
25 posted in-building for five (5) working days, and sent to all staff via email. As an
26 exception, during the period from the end of the school year through the first two (2)
27 weeks of the new school year, the posting will be for three (3) days. If at any time, the
28 most senior in-building employee is qualified and interested in the posting, the position
29 may be offered to the employee. Any new posting may be immediately issued whether
30 or not the three (3) day period has expired. The same provision applies to any subsequent
31 vacancies.
- 32 3. If there are no in-building applicants and there are two (2) or more equally qualified in-
33 district applicants for the opening, the senior most qualified will be given first
34 consideration for the position.
- 35 4. Qualified in-district candidates not selected for the position will receive a letter of by-
36 pass. The reason(s) given in the by-pass letter must conform to the qualifications based
37 in the job posting.
- 38 5. A position not filled within the District will be available to outside applicants.
- 39 6. Qualifications will be determined by the criteria stated in the job posting.

40

1 E. Moving Expenses:

- 2 1. An employee who is transferred or reassigned because of District need will be paid for
3 actual packing, moving, unpacking, and setting-up of the new classroom at per diem rate
4 not to exceed 28 hours.
- 5 2. Employees who ask the District for a transfer or reassignment will have their classroom
6 items transported (after the employee has prepared the items for transport) by the District.
7 With this, the employee will not be paid the curriculum rate for packing, moving,
8 unpacking, and setting up the new classroom.
- 9 3. Employees who are being reassigned involuntarily at the request of the District or the
10 building principal, will be paid for actual packing, moving, unpacking, and classroom set-
11 up time at per diem rate, not to exceed 28 hours. Alternatively, substitute coverage for up
12 to four (4) school days will be awarded if the school year is in session. This will include
13 employees who are requested by the District or building principal to move to a different
14 classroom and/or grade level(s) within a building before or after the school year has
15 begun.
- 16 4. If under unusual circumstances, moving is not able to be completed within the 21 hours,
17 the employee may request additional compensation with approval of the building
18 principal.

19 **Section 3.3 Involuntary Reassignment or Transfer**

20 A. Procedural Overview of Involuntary Reassignment or Transfer: Involuntary reassignments or
21 transfers normally occur only when enrollment changes or special program needs cannot be met
22 because of student enrollment/staff changes. These reassignments or transfers are District
23 initiated. No employee will be involuntarily reassigned/transferred three (3) years in a row.
24 Whenever possible, an involuntarily assigned employee should be placed in an equivalent
25 position.

26 B. In-Building Involuntary Reassignment

- 27 1. The principal or supervisor will first ask for qualified volunteers to be reassigned in-
28 building. The reassignment need will be posted, emailed to staff, and announced at staff
29 meetings allowing five (5) working days for volunteers to come forward. Whenever
30 possible, such an involuntarily reassigned employee should be placed in an equivalent
31 position. As an incentive, it may be agreed that the employee who volunteers to be
32 reassigned will be offered reinstatement to the prior position if it is recreated for the next
33 school year.
- 34 2. If no one volunteers in-building, the principal or supervisor will involuntarily reassign the
35 employee with the least seniority in the building whose endorsement(s) match the
36 position into which the reassignment could occur.
- 37 3. Qualifications will be determined by the criteria stated in the job posting.
- 38 4. When special programs show a need for preservation at the site level, a site team (special
39 program staff, WAE president, and building administrator) will be formed to oversee the
40 process and selection with the Agreement in force.
- 41 5. The employee to be involuntarily reassigned will be given notice of the reassignment by
42 the final student day of the school year unless it is caused by actual student
43 enrollment/staff changes, in which case notice will occur as quickly as the situation arises
44 within the five (5) working days timeline.

1 C. In-District Involuntary Transfer

- 2 1. The District will first ask for qualified volunteers to be transferred. The transfer need will
3 be posted in-building, emailed to all staff and communicated by other means when
4 appropriate. The District will allow five (5) working days for volunteers to come forward.
5 As an incentive it may be agreed that the employee who volunteers to be transferred will
6 be offered reinstatement to his/her prior position if it is recreated for the next school year.
- 7 2. If no one volunteers, the District will involuntarily transfer the employee with the least
8 seniority in the District whose endorsement(s) most match the position into which the
9 transfer could occur.
- 10 3. When special programs show a need for preservation at the site level, a site team (special
11 program staff, the WAE president, and building administrator) will be formed to oversee
12 the exception process and selection with the Agreement in force. If qualifications are
13 substantially equal, the least senior applicant will be given the position.
- 14 4. The employee to be involuntarily transferred will be given notice of the transfer by the
15 final student day of the school year unless it is caused by actual student enrollment/staff
16 changes, in which case notice will occur as quickly as the situation arises.

17 **Section 3.4 Job-Sharing**

- 18 A. Employees interested in entering into a job-sharing agreement need to complete a job-sharing
19 agreement request form with another qualified employee or request the hiring of a job-share
20 partner. All matters of the agreement must be acceptable to principal and both employees.
21 Maintaining job-share status will be based on general acceptance of the job-share relationship by
22 the two employees involved and the principal.
- 23 B. A full-time employee who enters a job-sharing agreement will have the option to return to full-
24 time status at the end of the job-sharing year, and will notify the District by April 1, in writing
25 with this request (extenuating circumstances will be considered until May 1). Persons wanting to
26 enter into job-sharing will notify the District by April 1. (Appendix F)
- 27 C. Job-sharing will be limited to 3 partnerships per building with benefits as specified in the part-
28 time employee's sections. Those employees who are job-sharing will receive prorated the number
29 of per diem days with consideration for application for additional per diem days as building and
30 District mandates.

31 **Section 3.5 Part-Time Employees**

- 32 A. All part-time employees will receive, proportionate to their job time, the following, as specified
33 in the contract: salary, per diem, benefits, all leaves with/without pay (personal, sick,
34 bereavement, civic, etc.), experience and education credits to advance on the salary scale, and all
35 other benefits and rights guaranteed full-time employees under the contract, unless the benefits
36 are limited to a specific FTE level by an insurance carrier.
- 37 B. Part-time employees who are required by the administrator to participate in activities that are
38 scheduled outside of and beyond part-time work hours shall be compensated for the additional
39 time at their per diem rate.
- 40 C. To calculate your FTE, see Exhibit A.

1 **Section 3.6 Mentor Program**

- 2 A. The purpose of the Washougal peer-mentoring program is to reinforce our belief that the constant
3 feedback by one's peers is of great value to both the mentor and the protégé(s). Initially, all new
4 certificated employees will participate in the peer mentor program.
- 5 B. The District retains the right to select and assign district-wide mentors. The Association will be
6 granted the opportunity to nominate and/or provide input and recommendations concerning
7 district-wide mentors. Selected mentors may respectfully decline the nomination.
- 8 C. When an administrator request and designates mentor candidates to assist new employees, the
9 mentoring employee and the mentee will be paid at their per diem rate for scheduled and
10 approved mentoring times outside the normal duty day. If the State provides stipends for mentors
11 and/or mentees, the stipend will be passed through to the mentor and/or mentee.
- 12 D. Selection of building-based mentors will be based upon collaboration between grade level teams
13 or subject matter teams and building administrators. The final decision on mentor assignments
14 rests with the building administrator.
- 15 E. To guarantee the integrity of the process a communication curtain exists between the mentor and
16 the administration. No mentor will provide input into the summative evaluation conducted by the
17 administrator.

18 **Section 3.6A Teachers On Special Assignment (TOSA)**

19 A. General

20
21 It serves the interests of the District and teachers to afford teachers the opportunity to
22 provide their knowledge and skill to the educational process by serving on special
23 assignment. Such special assignments can include (but are not limited to) serving mentors,
24 instructional coaches, curriculum specialist, etc. Assignment length is determined by
25 funding source conditions, assignment requirements, and District or Building need.

26
27 B. Assignment

28
29 The District retains the right to select and assign district-wide TOSA. The Association will
30 be granted the opportunity to nominate and/or provide input and recommendations
31 concerning district-wide TOSAs. Selected TOSAs may respectfully decline the nomination.

32
33 Selection of building-based TOSAs will be based upon collaboration between grade level
34 teams or subject matter teams and building administrators. The final decision on TOSA
35 assignments rests with the building administrator.

36
37 D. Responsibilities

38
39 The District will provide TOSAs with plans and/or documentation outlining the activities
40 and responsibilities expected of them. It is understood that TOSAs remain part of the
41 bargaining unit and as such will maintain confidentiality regarding any evaluative
42 information regarding teachers being assisted. Such information will not be shared with or
43 used by administrators in the evaluative process. It is also understood that, as colleagues
44 and as part of the bargaining unit, TOSAs will only assist teachers within the teacher's
45 classroom at the request or consent of the teacher being assisted.

1 **Section 3.8 Work Year/Workday**

- 2 A. The school calendar will be collaboratively negotiated between the District and the WAE. The
3 employee contracted work year will be 180 days for returning staff and 181 days* for employees
4 new to the District. The base contract is 180 days (181 days for employees new to Washougal).
- 5 B. This number adjusts to reflect the actual number of state funded teacher contract days for
6 returning Washougal employees and that number +1 for new Washougal employees. The
7 employees per diem will be determined by dividing annual salary by the number of state funded
8 employee days.

9 **Section 3.8 A End of Year Check Out**

10 At the end of the year, check out will be done within three (3) workdays of the last day of school.

11 **Section 3.8 B Teacher Workday**

- 12 A. Employees will report for work ½ hour before the student day and be released no later than ½
13 hour after the student day*. The structure of the “student day” will be determined by the building
14 administrator in consultation with staff and in accordance with what is educationally sound for
15 students. On weather related delayed starts or weather related early releases, the ½ hour before
16 and after adjusts to before and after the revised start and stop time.
- 17 B. Employees may leave after the close of the student day on Fridays and the day before a holiday
18 begins, as compensation for faculty meetings or other school activities that necessitate employee
19 attendance beyond the normal workday (evening parent conferences, evening curriculum
20 meetings, school wide open house programs) if the employee has no assigned duty. Additionally,
21 principals will consult with the site-based team on the number of after school activities in an
22 effort to limit the number of such activities.
- 23 C. Provided further that an additional ½ hour per week immediately before or after the employee day
24 shall be for faculty meetings, which may be combined with the ½ hour before or after, exclusive
25 of Monday morning and Friday afternoon. Students will be dismissed three (3) hours early on the
26 last day of school.
- 27 D. The District commits to insure fairness to teachers who supervise students outside of the
28 instructional day.
- 29 (*student day is based on a six and a half-hour day.)

30 **Section 3.8 C Elementary Recess Time**

31 Employees at the K-5 level will have one duty free recess period (twenty (20) minutes) either in the
32 morning or the afternoon. Employees may give the principal input on their preferred recess time.
33 However, employees may be requested to assist the building administrator during the recess period if an
34 emergency arises and the administrator determines that assistance is needed in dealing with the situation.

1 **Section 3.8 D Parent Requested Conference**

2 The first time a parent requests a special conference with an employee through the principal, every effort
3 will be made to hold the conference within the employee workday. However, if that is not possible, the
4 principal and teacher will work together to find a mutually agreeable time for the first meeting either
5 before or after the employee workday, which the employee will attend.

6 **Section 3.9 Conference Time: Parent/Employee**

7 Parent-employee conference time will be provided in the fall and in the spring. Grades K-12 will be
8 dismissed three (3) hours early for five days in the fall and three days in the spring. Spring conferences
9 are held on an as needed basis or by parent request. Staff not involved in parent conferences will be
10 available for curriculum development projects. (See annual calendar for specific dates and early
11 dismissal times.) Days for parent conferences will be scheduled when the annual calendar is developed.

12 **Section 3.10 Grades Due**

13 Teachers will submit grades and prepare report cards within three (3) workdays of the tri/se/mester
14 completion. Teachers may utilize TRI pay for grade preparation (inclusive of evenings and weekends).

15 **Section 3.11 Planning Time**

- 16 A. Each full-time secondary instructor shall have a daily planning time that is equal to one
17 instructional period. Secondary instructors working less than full-time are entitled to pro-rated
18 planning time.
- 19 B. Each full-time employee K-5 (defined as certificated employees working more than 3.5 hours per
20 day) will be provided 270 minutes of planning time each week in increments of not less than
21 thirty (30) minutes. Elementary employees working part-time will be provided with pro-rated
22 planning time.

1 **Section 3.12 Class Size**

2 A. WHEN K-3 exceeds 24; 4-5 exceeds 26; 6-12 exceeds 28 (exception: a teacher with two or more
3 classes with enrollment of 20 or under). A teacher may elect to waive class size limitation.

4 THEN Class overload shall be reduced by:

5 1. Transferring students.

6 2. Hiring additional staff.

7 3. Transferring or reassigning district personnel if the adjustment does not result in a class
8 of less than 18 students.

9 B. The District and the Association shall schedule twice-a-year meetings not later than the beginning
10 of the third week of the school year and the second week of the second semester for the specific
11 purpose of overload review and recommended resolutions. The Superintendent shall Chair the
12 meetings and have discretion in making the final decision. Participants will include designated
13 Association representatives and designated district representatives to include school principals
14 and affected educators. In advance of the meeting, each teacher with an overload situation will be
15 invited to provide his/her input to the school principal on a proposed resolution and the educator
16 will be paid to attend the meeting at their per diem rate IF the meeting is outside the work day.

17 C. The above district-wide meetings do not preclude classroom specific discussions between
18 teachers and principals, and the association and district through labor-management when such
19 overloads occur between the scheduled meeting dates.

20 D. If the above steps cannot resolve the class overload, the building administrator and teacher will
21 mutually agree on implementing Step 1, 2 or 3 below.

22 1. Hiring aides (one hour aide time per student over the maximum class size, for as long as
23 the maximum class size is exceeded).

24 a. A PE class size overload, with a shared aide shall be calculated on a ratio of 25:1.

25 b. Overload for music groups (grades 6-12) over 50 shall receive a stipend of \$2.60
26 per extra student per day.

27 2. Giving an extra stipend of \$13.00 per extra student per day.

28 3. Secondary (middle high school, grades 6-12) teachers who are in overload, and who are
29 also above their maximum class size numbers (e.g., 140 at the middle and high school)
30 will receive one-half of the overload stipend for each student in overload to recognize the
31 overload within the instructional period as well as the increase in workload beyond the
32 full workload level.

33 E. Within five days of notification (Appendix I) by the employee of the class overload situation
34 (excluding the first week of school), identified steps will be taken to reduce or compensate the
35 teacher for the overload.

36

37

1 **Section 3.12A Elementary Combination Classrooms**

2

3 The Building Administrator and Building Representative will meet and confer in a mutual effort to avoid
4 or minimize combination classes. The Association retains the right to meet and confer on the issue with
5 the District staff.

6

7 If a combination class is established, the teacher may choose between the following two options:

8 1)

- 9 a) A teacher assigned to a combination class will be given the option of two (2) on-site substitute
10 release day per trimester or twenty-eight (28) hours of compensation at per diem to plan for the
11 curriculum.
- 12
- 13 b) A teacher assigned to a combination class will have four (4) hours of paraprofessional time daily
14 to support English Language Arts and Math instruction.
- 15
- 16 c) The class size will be reduced by three (3) students from the class size otherwise appropriate to
17 the grade level. If the grade levels have different class size limitations per Section 3.12, the lower
18 limitation will be used.
- 19
- 20 d) A teacher assigned to a combination class will be given a stipend equal to ten percent (10%) of
21 the teacher's base salary on the salary allocation model.

22

23 OR

24

25 2)

- 26 a. A teacher assigned to a combination class will be given the option of two (2) on-site substitute
27 release day per trimester or twenty-eight (28) hours of compensation at per diem to plan for the
28 curriculum.
- 29
- 30 b. A teacher assigned to a combination class will have five (5) hours of paraprofessional time daily.

1 **Section 3.13 Classroom Visitation**

2 To provide patrons of the District the opportunity to visit classrooms with the least interruption to the
3 learning process, the following guidelines are set forth:

- 4 A. Unless an employee has invited a visitor to be in a class at a specific time and date, all visits shall
5 be arranged through the principal. Final arrangements for the visit will be made after the principal
6 has conferred with the employee. The employee should communicate to the principal if the
7 planned activity could be easily disrupted by a visitor or if it would be "atypical" of usual
8 classroom activity (test). Weighing the needs of the students, employee and patron, the principal
9 has the responsibility to finalize plans for the visitation, or suggest alternative times for a
10 visitation.
- 11 B. Either the employee or the visitor may request a conference before and/or after the visitation. The
12 conference should be held if either party requests it.
- 13 C. The principal of each school shall meet with the respective faculties to establish guidelines for the
14 role of the employee and the visitor, so all will know what is expected during this activity. This
15 information should be disseminated to the patron by the principal.

16 **Section 3.14 Covering Classes**

- 17 A. When necessary, an employee may be requested by an administrator to cover a class period. The
18 employee involved will be reimbursed at his/her per diem rate. Every reasonable attempt shall be
19 made to enlist the services of a substitute when the administrator is informed of an absence or
20 when scheduled absences are initiated by the District.
- 21 B. When a classroom teacher at the K-5 level loses a prep period to provide classroom coverage for
22 an absent teacher when a substitute cannot be employed, the employee will be paid for the lost
23 prep period at his/her per diem rate. For emergency coverage, teachers (including specialists)
24 should only be used during their prep time. Should the administrator find it necessary to
25 distribute the students among multiple classes, the teachers will proportionately share the per
26 diem rate of the absent employee.

27

1 **Section 3.15 Curriculum Development**

- 2 A. Employees required to implement curriculum changes may participate in the development of that
3 curriculum change.
- 4 B. Employees retain the right to convey their ideas regarding the curriculum to the District.
- 5 C. Workshops and/or in-service training programs initiated and established by administration with
6 required attendance should be conducted at times so as to minimize disruption of the normal
7 school program. Pay for curriculum work done outside the regular workday will be compensated
8 at their per diem rate.
- 9 D. The District shall provide and pay for in-service education courses whenever the District
10 implements new programs which call for retraining on the part of the employee. District in-
11 service courses that can be taken for either college or District clock hours shall be granted the
12 equivalent number of quarter hour credits allowed by the college and/or university.

13 **Section 3.16 Release Time**

- 14 A. Employees may be released from the classroom to participate in the following activities:
- 15 1. Employees may visit other districts.
- 16 2. Employees may attend conferences and other meetings aimed at the improvement of
17 instruction.
- 18 3. Employees may be released from their classroom duties in order to work on curriculum
19 committees.
- 20 B. Requests for released time may originate with the employee or any member of the administrative
21 staff, or the Board. Such requests must be submitted to the building principal or designee. A
22 substitute shall be provided at no cost to the employee for any released time during the school
23 day. Staff must cover the cost of substitutes if they attend professional development classes not
24 offered by the District.

25 **Section 3.17 Student Discipline**

- 26 A. In the maintenance of a sound learning environment, the District shall expect acceptable behavior
27 on the part of all students who attend schools in the District. Discipline shall be enforced fairly
28 and consistently regardless of race, creed, sex or status. Such discipline shall be consistent with
29 applicable federal and state laws (RCW 28A.600.020).
- 30 B. Every employee shall have the power and support of the Board and superintendent to hold every
31 student to a strict accountability in school for any disorderly or anti-social conduct. In carrying
32 out this responsibility, employees and principals, or their designees will discipline student(s) in
33 accordance with Board policy and age appropriate rules and regulations thereof. A reasonable
34 attempt shall be made to notify parents or guardians prior to detention. If necessary to continue
35 the educational process in the classroom, an employee may send to the principal's office and
36 designated supervised discipline area, any student who seriously disrupts the educational program
37 to the detriment of other students. If the employee requests it, before re-admittance to class, there
38 may be a signed agreement finalized between the student, parent or guardian, principal and
39 educator specifying the future behavior expectations of the student. If the request is denied by the
40 principal, the employee may appeal the decision to the appropriate central office administrator.

41

1 **Section 3.18 Professional Learning Communities**

- 2 A. Each full-time employee K-12 (defined as certificated employees working more than 3.5 hours
3 per day) will be provided 25 hours of Professional Learning Community time per year within the
4 contracted workday, as long as state instructional hours are met. The purpose of the PLC is for
5 teaching teams to work together to improve student learning within a PLC framework. Building
6 administrators will collaborate with the staff to assure that the allocated time is used effectively
7 for Professional Learning Communities. The objective is to evolve into a PLC environment where
8 PLC groups effectively self-direct within the district's PLC framework/protocols. Teams may be
9 defined as two (2) or more certificated employees who have common or similar instructional
10 assignments cross grade level or vertical planning teams.

29 going below twenty-two (22) days.
- 30 4. While an employee is using leave transferred under this provision, he/she shall receive the
31 same treatment in respect to salary, and employee benefits as a regular employee.

27 c. Work in related field or job
28 d. Extended travel
29 e. Rest
30 f. Personal (including child rearing)

32 the cost to the students of a break in their education resulting from having a substitute employee and
33 in some cases the cost in dollars to the District. An adequate replacement must be available in order
34 for the Board to consider granting the leave. To grant a leave of absence shall be at the sole discretion
35 of the Board.

36

1 3. Provisions

2 a. The duration of the leave would be on the basis of individual need and will be stated on the
3 written application. Leave will be granted for a duration of one year or less, and would expire at
4 the date agreed upon.

5 b. Should the educator on leave feel an extension in the duration of his/her leave would be
6 beneficial, the Board could grant it. The procedure of filing for an extension would be the same as
7 for applying for the initial leave of absence. The educator requesting the leave will receive no
8 salary for the period of his/her absence, but will retain his/her position on the salary schedule in
9 educational increments and teaching experience. If during the leave the educator gains additional
10 (a) educational experience and/or (b) teaching experience, then he/she will advance on the salary

16 with the recommendation of the superintendent shall be forwarded to the Board within two weeks
17 of receipt.

18 b. Leaves that extend for more than twenty (20) school days shall be applied for prior to April 15 of
19 the school year preceding the school year in which the requested leave is to occur. The Board will
20 inform the applicant in writing of its decision.

21 c. Employees on annual leave will give written notice to the superintendent of their intent to accept
22 a position by April 15. Failure to return the contract by the agreed upon date will constitute
23 resignation.

24 d. Those educators applying for leave who also hold supplemental contracts shall make their request
25 in regard to the supplemental contract at the same time as their regular contract. The Board will
26 consider the regular contract and the supplementary contract separately but at the same time, and
27 the written decision of the Board shall cover both contracts.

28 e. Educators who comply with these provisions shall be replaced by a temporary employee and shall
29 be offered a basic contract in conformity to the R.I.F. Policy. Supplemental contracts may be
30 offered at the discretion of the Board.

31 **Section 5.2B Adoption Leave**

32 An educator legally adopting a child shall notify the District of the intent to take adoption leave stating
33 the expected dates of commencement of leave and return to employment. Adoption leave may be granted

1 **Section 6.1F Classroom Teacher Evaluation Framework and Criteria:**

2 Evaluation of classroom teachers will be based upon the framework and criteria set forth in the
3 Center for Educational Leadership, CEL 5, Dimensions-of-Learning. Educational Staff Associates
4 will continue to be evaluated based on existing contract provisions as set forth in this section.

5 **1. Training:**

- 6 a. Classroom teachers will receive in-depth, initial training in the provisions of RCW 28A.405
7 upon entry into the school system. Refresher training will be provided at the beginning of
8 each school year.
- 9 b. Administrators shall receive professional development in the evaluation process as
10 provided for in RCW 28A.405.120.

11 **2. Forms and Tools:**

- 12 a. Evaluation forms are in the appendices to this Agreement.
- 13 b. The eVAL web-based technology tool will be used for the self-assessment and growth goals.
- 14 c. Administrators will use eVAL to document assigned criterion scores and prepare the final
15 summative evaluation report to be shared with teachers.
- 16 d. The CEL 5 Possible Teacher Observables and Possible Student Observables is available to
17 assist teachers and evaluators in the collection of artifacts and observation evidence.
- 18 e. The evidence collection is a sampling of data to inform the decision about level of
19 performance. Evidence/artifacts should be gathered from the normal course of teaching
20 and learning.
- 21 f. The teacher and administrator will have ongoing collaboration regarding the evidence
22 collected.

23 **3. Self-Assessment, Professional Growth, Student Growth Goals and Artifacts:**

- 24 a. Classroom teachers will use the eVAL to complete a self-assessment in the fall, establish a
25 professional growth goal or goals based on the instructional framework, and create student
26 growth data as required by statute. Teachers will make the items viewable to their
27 evaluator prior to pre-observation conference.
- 28 b. Teachers should upload artifacts to be used as evidence of level of performance. The
29 district recognizes that some artifacts may need to be submitted in an alternate format as
30 agreed to between the teacher and the administrator.
- 31 c. Both the teacher and the administrator shall contribute evidence to the overall assessment
32 of professional performance.

33

1 **4. Observation and Inquiry Cycle:**

- 2 a. Teachers on the comprehensive evaluation will participate in two observation/inquiry
3 cycles. The process will include a self-assessment/goal setting conference in the fall, two
4 observation cycles including a pre-observation conference, an observation, and a post-
5 observation conference. The nature of the observation/inquiry cycles is formative. During
6 the post-observation conference teachers are encouraged to share artifacts.
- 7 b. During the post-observation conference, the administrator and teacher shall examine the
8 observation report and artifacts in relation to the current level of practice. The evaluator
9 will assign indicator scores and overall criterion scores based on the analysis of the
10 evidence.
- 11 c. Teachers participating in a focused evaluation will be observed as specified in WAC 392-
12 191 and 392-191A. Regardless of the criterion selected, the process is the same as for a
13 comprehensive evaluation. The teacher will select one of the eight criterion and associated
14 student growth measures. The selected criterion must be approved by the administrator
15 per WAC 292-191A-120(2).
- 16 d. Teachers will be observed at least twice each school year and for a total of no less than sixty
17 (60) minutes during each school year. Observations may be through classroom or work site
18 visits as specified in WAC.
- 19 e. Teachers will receive rubric scores for the student growth rubric rows. Student growth
20 data will be determined collaboratively by the classroom teacher and the administrator.
21 Student growth data occurs between two points in time. While there is no student growth
22 impact rating that is calculated for the final summative score, a rating of "1" on any student
23 growth rubric row triggers a student growth inquiry.

24 **5. Summative Evaluation Report**

- 25 a. The Summative Evaluation report is a formal and official summary evaluation based on a
26 series of documented observations and other performance data generated through the
27 normal supervisory process. This report should reflect the previous discussions recorded
28 on the appropriate forms. It is signed by both the employee and the administrator. A copy
29 will be provided to the employee. A signature does not denote concurrence.
- 30 b. Each Summative Evaluation Report shall be forwarded to the Human Resource Department
31 for filing in the employee's personnel file. The employee will have the right to include a
32 rebuttal statement for the record. Such supplementary statements will be submitted to the
33 Human Resources Department within twenty (20) working days of the final evaluation
34 conference, with a copy to be transmitted to the administrator.

35 **6. Criterion Scoring**

- 36 a. The District and the Association both hold a strong belief in the "shared responsibility" for
37 evidence gathering and analysis. Criterion scoring will be based on analysis of evidence.
38 Scoring will not be based upon an average of scores, coring band, or mathematical formula
39 except as otherwise prescribed by the Office of Superintendent of Public Instruction.
- 40 b. Administrators will receive professional development related to scoring and work within
41 their professional learning communities to develop consistency in scoring.

Section 8 Grievance Procedures

A. Purpose

The grievance procedure provides a process for resolving problems at the administrative level nearest the grievant.

B. Definitions

1. Grievance: A specific complaint that a dispute or disagreement of any kind exists involving the interpretation of, or application of, the terms of this agreement.
2. Grievant: An individual member or the Association.
3. Day: A workday.
4. Time Limits: Are mutually binding unless both parties agree to a specific extension period because of external circumstances. If the results of any step of a grievance are not appealed within the time allowed, it will be determined to be settled on the basis of acceptance of the result. If the District does not respond within its allocated time interval the grievance will be determined to be settled in the grievant's favor.
5. Content of the Grievance: Will be in writing, as well as the relevant data, statements, complaints, responses, and results of previous steps. The written statements shall clearly specify the following:
 - a. The specific complaint and which section of this Agreement or Board policy, rule or practice has been violated, the grievant's name and proposed remedy.
 - b. When the alleged violation occurred.
 - c. The result(s) of any grievance step and why the result(s) was/were unsatisfactory.
 - d. Any witness statements, data, and any other information collected as a result of the grievance being processed.

Copies of the above information shall be kept on file by both the District and the grievant until resolution of the grievance.

C. Representation Rights

1. This grievance procedure is an agreement between the District and the Association and, as such, belongs to the Association before any individuals. When a grievant files a formal complaint with the District, the Association shall receive a copy of the grievance.
2. The grievant has the right of Association representation at any and all steps of the grievance procedure. An aggrieved party may appear by choice without representation, provided the adjustment of the grievance is not inconsistent with the terms of this contract.
3. The Association shall be given the opportunity to be present and make views known whenever an adjustment is made. The Association has the right to initiate a grievance, and also the right to re-initiate a grievance filed and later discontinued by an individual.

1 D. Procedures

2 1. Informal Resolution of Grievance (Step 1):

3 Every effort shall be made to resolve the potential grievances through private and informal
4 discussions between the grievant(s) and the immediate supervisor. If such processes fail to
5 provide an acceptable adjustment of the problem, then a grievance may be formally processed
6 to Step 2.

7 2. Initiating a Formal Grievance (Step 2):

8 Within a reasonable period of time, and not more than twenty (20) days after the grievant
9 knew or should reasonably have known of an action or lack of action which is the basis of a
10 grievance, he/she may file a formal grievance (see Appendix A). The grievance shall be filed
11 simultaneously with the immediate supervisor and the District's Director of Human
12 Resources. The immediate supervisor shall reply in writing within five (5) school days of the
13 filing. If the grievant or WAE has not had a response within the five-day period, then the
14 grievant is granted the petition's solutions by default, provided the solution is consistent with
15 all provisions of this Agreement (i.e., does not establish a new employment condition which
16 is otherwise subject to bargaining).

17 3. Appealing to the Superintendent or Designee (Step 3):

18 Within ten (10) days of receipt of the results, or fifteen (15) days of the presentation of the
19 grievance to the immediate supervisor, the grievance may be presented to the superintendent
20 or designee.

21 The superintendent or designee shall meet with the grievant within five (5) school days of
22 receiving the grievance form. Within five (5) days after the meeting, the superintendent or
23 designee shall render a written decision. If the decision was not satisfactory, the grievant
24 may proceed to Step 4.

25 4. Arbitration of the Grievance (Step 4):

- 26 a. Within five (5) days of the Superintendent's written decision, if the grievant is
27 not satisfied and the Association concurs, the Association will notify the
28 superintendent or designee, in writing, that the grievance will be submitted to
29 binding arbitration.
- 30 b. The parties will file the arbitration request with the American Arbitration
31 Association and will follow the AAA rules and procedures regarding
32 appointment and administration of the arbitration.
- 33 c. Neither party shall be permitted to assert in the arbitration proceedings any
34 evidence that was not submitted to the other party prior to the completion of Step
35 3 meetings.
- 36 d. The arbitrator shall be chosen and shall conduct the hearing and issue a
37 determination in writing within the rules of the arbitrating body (e.g. AAA). The
38 arbitrator's decision will be binding on both parties.
- 39 e. The costs for the services of the arbitrator, including per diem expenses, if any,
40 and travel and subsistence expenses and the cost of any hearing room shall be
41 borne equally by the District and the Association. All other costs will be borne
42 by the party incurring them.

1 E. Conclusion:

- 2 1. There shall be no reprisals of any kind by the District or an agent of the District
3 against any employee for reason of participation in grievance process. It will be the
4 practice of all parties to process grievances after the regular workday or at other
5 times that do not interfere with assigned duties.
- 6 2. Substitutes required to cover for any employees engaged in meetings relevant to the
7 grievance procedure shall be reimbursed by the party requesting the employee's
8 attendance, with no deduction to the employee's leave accumulation.

Exhibit A: Part-Time Matrix

390 minutes - Instructional Time
60 minutes - Before and After School
-30 minutes - Lunch
420 minutes - 1.0 FTE (7.0 hours)

420 minutes x 180 days per week = 75,600 minutes per year = 1.0 FTE

In calculating an elementary (K-5) FTE part-time employees will be provided with pro-rated planning time.

In calculating a middle school FTE (6-8), the calculation is figured on number of periods taught times minutes in period; plus minutes for planning (planning time minutes for a full-time FTE divided by the number of periods taught by an FTE in day; plus 12 minutes before/after per period; plus 6 minutes passing time per period taught; times number of days taught in a trimester; times the rate per minute (annual FTE salary divided by 75,600 minutes).

In calculating a high school FTE (9-12), the calculation is figured on number of periods taught, times minutes in period; plus minutes for planning (planning time minutes for a full-time FTE divided by the number of periods taught by an FTE in day); plus 15 minutes before/after per period plus 10 minutes passing time per period taught; times number of days taught in a trimester; times the rate per minute (annual FTE salary divided by 75,600 minutes).

Note: a part time secondary teacher (6-12) minutes for planning, passing time and before/after will be adjusted based on the number of periods a full-time FTE is teaching (i.e. number period day be used during the school year)

Refer to Section 3.5

MOU Regarding One-Time Professional Development Allowance

For the 2017-18 school-year only, each full-time employee will be provided a one-time-only professional development allowance of \$700, paid as a lump sum in the November, 2017 paycheck, to be used at the employee's discretion for professional growth and development. Each part-time employee will be provided with an amount equal to their proportional FTE.

President, WAE

Marian Young
Human Resources, WSD

MOU Regarding Planning Time

A joint committee, facilitated by the Assistant Superintendent, comprised of a teacher representative from each elementary building (as designated by WAE) and the elementary principal from each building will be formed to identify, evaluate, consider and recommend changes that meet the planning time requirement of 270 minutes per week in increments of not less than thirty (30) minutes, while enhancing the education program.

Recommendations will be presented to the Superintendent and Board for consideration.

The District confirms its intent that additional instructional offerings will not be the basis for reduction of existing instructional offerings but will be a trade-off to student early release time, exclusive of Professional Learning Community (PLC) time.

School Year 2017-18 will serve as a planning year for the District relative to the educational program for implementation in 2018-19.

President, WAE

Human Resources, WSD

MOU on Exhibit B

The Association and the District agree to undertake a review of the stipends identified in Exhibit B. Administrators will review estimated time requirements with teachers. A joint team of Administrators and Association Representatives will analyze the data and develop a proposed restructure. The results will be brought to labor-management to reach agreement on any changes. A target date of completion is December, 2017, with any changes retroactive to the beginning of the school year.

MOU between Washougal Association of Educators and the Washougal School District

In recognition that the District's planned schedule for Professional Development Days in August does not comply with Section 4.3 Per Diem Day requirement for two (2) per diem days plus nine (9) hours. The District's planned schedule meets the total of twenty-three (23) hours, however, does not meet the requirement for two per diem days. Therefore, the Association and the District agree that two hours of paid time will be at the discretion of the employee for activities including but not limited to; classroom preparation, Back -to School Night Attendance, etc. These two (2) hours must be completed by September 30, 2018.

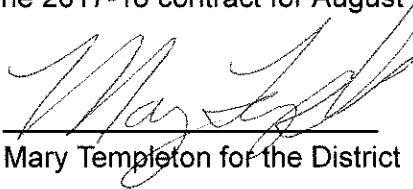

This is not precedent setting and applies to the 2017-18 contract for August 2018.
