

AGREEMENT BETWEEN
WEST VALLEY PRINCIPALS' ASSOCIATION
And
WEST VALLEY SCHOOL DISTRICT #208

Article II - Duration

This agreement shall become effective July 1, 2018 and remain in effect until June 30, 2021.

Article III - Terms and Conditions

The work year shall be twelve months from July 1 through June 30 annually.

Position	Work Year
High School/Freshman Campus Principal	230 days
Middle Level Principal	230 days
Elementary Principals/Secondary Assistant Principals	218 days

It is expected that principals and assistant principals will be working during the time students are in school and during those times before and after school necessary for the proper opening and closing of school, as well as participating in appropriate predetermined district designated in-service activities. A work day is defined as a principal contracted day (as determined by the employee's supervisor) and the duration is for the entire calendar day, but normally at least eight hours. For the purpose of district level and continuous in-building presence, the principal's contract will generally be defined as three weeks before the starting day of school through two weeks after the final day of school.

Each administrator is to submit a proposed work calendar for the next school year to the superintendent or his designee for approval on or before one week prior to the end of the employee work year. For the first year of the contract this calendar is due within three weeks after ratification of the contract. Principals who must attend school events on Saturday or Sunday will be able to count those days as work days. Each principal shall have the ability to adjust his or her work calendar as needed with the approval of the principal's immediate supervisor. An updated work calendar shall be submitted to the Superintendent for approval.

A. Optional Day Pool

The district will provide funding for two (2) optional days per member to be used with prior approval of the superintendent. Unused optional days may be shared between members with the approval of the superintendent. Unused optional days shall not be carried over nor be paid to the member. These days would be used when a principal/assistant principal needs to conduct interviews for late resignation or transfer or at the request of the superintendent to attend a conference or provide in-service, or to conduct business after completion of the work year.

Article IV - Economic Provisions

A. Compensation

1. The parties agree to stay within compliance. Compliance will include both salary and benefits. In the event that the District is found to be out of compliance by the salary of employees, adjustments will be made to bring the District back into compliance.

Administrators hired or ending their employment mid-year will have their base salary and stipend pro-rated using a ratio of actual days worked in relation to the contracted days for that position.

The balance of any payment due an employee will be paid on the regular payroll date following the action.

If a new administrator to his/her position is hired by the district and agreement is reached between the superintendent and new administrator to work additional days, the additional days worked beyond the contracted days will be paid at a per diem rate of the salary based on the contract for the position subject to applicable IRS regulations.

C. Tax Deferred Accounts: 403B, 457 Plan

Tax Deferred Accounts (i.e. 403 "B" Retirement Accounts or 457 Plan) may be purchased at any time during the school year that the employee wishes to begin such a program.

F. Educational Experience, Skills, Meetings, and Conferences

The West Valley School District encourages administrative personnel to gain new experience and skill levels, and recognizes the value of educational meetings and conferences. All administrative personnel are encouraged to participate in state and/or national meetings of these professional organizations. It is the intent of the district to encourage professional development through commitment to this Administrative Skills Development package, which includes:

1. Subscriptions to professional journals, in-service, professional certificate expenses, and professional conference expenses held outside the district subject to the approval of the superintendent or his designee. Included are materials and equipment in furtherance of assignment duties (e.g. PDA's, approved software, etc.).

3. The district will provide full payment for the Washington State professional association of the administrator's choice.
4. Building funds may be set aside to pay for attendance (including registration, tuition, food, lodging, and reasonable travel costs) at a national conference once every 3 years to a maximum of \$4,500. The member and the superintendent shall mutually agree upon participation.
5. In addition to the above individual accounts, funds for administrative team staff development may be included in the annual district budget. Administrators will be involved in planning for such administrative team in-service.
6. Expenses will be reimbursed according to district policy.

3. The Association may participate in the VEBA III Medical Benefits Plan, subject to an annual election by the members.

L. Evaluation

The evaluation process will consist as well with an initial goal-setting meeting with the Principal's evaluator. This goal-setting meeting will serve as an opportunity for the Principal to outline goals/plans for the building aligned to District goals.

The goal setting process will include follow-up meetings with the Principal's evaluator which will serve as an opportunity to update the evaluator on progress relative to meeting building goals, as well as to provide an opportunity for the Principal to speak to the evaluator on the composition of the administrative team, and any concerns the Principal may have with members of the administrative team. This opportunity shall be ongoing and will be addressed with the concerning member of the administrative team by the Principal, and if the Principal desires, the Superintendent. Concerns regarding any member of the administrative team shall be made in writing by the Principal, reviewed with the Superintendent, and served to the administrator. The Principal will meet on a regular basis with the administrative team member in order to mutually rectify any concerns regarding the administrator's performance.

It is the goal of the District to provide support for the Principal through inquiring about the performance of members of the administrative team, and to work collaboratively with the Principal, and if so desired also with the administrative team member, in an expeditious manner. If necessary, a formal plan of improvement would be initiated between the Principal, and the administrative team member, with approval of the Superintendent. A member of the administrative team shall not lose their position without an opportunity to meet the expectations identified in the plan of improvement.

N. Reduction-in-Force
